Come Sailing.....

Take a journey back to when travel was only under sail.

The STV One & All provides a unique adventure that will deliver you to the doorstep of “Seafood Capital of Australia”, Port Lincoln. Why not set sail across the Gulf, navigating the local coastline during the voyage, passing features such as Althorpe Island, Wedge Island and the many lighthouses that dot our coast. Weather permitting we may have a chance to anchor at remote island or beach to explore our coastal beauty.

As we sail the “locals” come out to play. The seals, dolphins and sea birds are never far away to watch and follow our moves. The wildlife take every opportunity to give us a show of their nimble moves above or below the waterline.

There are numerous opportunities to participate in different aspects of the sailing life. To keep the vessel manned 24 hours a day you will be divided into watches (teams). Your Watch Leader and other members of the crew can show “the ropes” to get involved with some or all of the following:

- Helming (steering) the vessel
- Setting the sails and adjusting them by hauling on ropes
- Standing watch (looking out for other ships)
- You may climb the masts and bow nets

STV One & All is a true hands-on vessel we invite all passengers to join in the experience of this remarkable ship. While we have plenty of crew to operate the ship, there is no expectation or pressure to do any of the above activities. Alternately, if activities are not your desire, sit back and relax as the water flows past and the birds soar high above the masts.

Set sail and have the opportunity to explore South Australia’s coastline and Port Lincoln.

Change your life forever by exploring the world from the deck of a tall ship and discover what you can achieve.

About the festival...

The Tunarama Festival occurs every Australia Day Long Weekend in January of each year, and has been a continuous fixture on South Australia's Calendar of Events since its inception in 1962, making our next Festival the 54th.

This makes us the third longest running consecutive annual Charity Event in the country, and something like the fifth longest consecutive Festival.

Originally introduced to celebrate the record tuna harvests in South Australian waters near Port Lincoln by the South Australian Tourism Commission and the then Port Lincoln Town Council, it has since enjoyed the support of the whole community year in year out. We have won numerous State and National Tourism Awards, and have been named as the Premier Regional South Australian Festival by SA Tourism Commission. It has now become a fixture on the international Festival circuit due in part to its

quirky nature and some of the fun events that we hold for the whole family, rather than being a single focus event. Many people across the globe now know of us because of the Tuna Toss, but we also claim the only horizontal Slippery Pole event held over water in the Southern Hemisphere, and in fact are the only event world-wide using the unique machinery we possess for it, crafted locally.

Coupled with our unrivalled fantastic location on the shores of the largest natural harbour in the Southern Hemisphere, this Festival is an event that enjoys so much repeat visitation and renown that the city has been filled to capacity at every Festival, almost since its inception, has been televised all over the world, has been the subject of many documentaries and is arguably one of the most engaging free Festivals intended for the whole family. Presenting something for all age groups, and holding events that cater to varied tastes has lead us to hold events such as the Boat Building Competition, which has always been watched by some of our largest crowds, numbering in the thousands of spectators. The event itself is an idyllic fit within the local landscape of seafarers, beaches, jetties and of course the tourists who are fascinated with the lifestyle afforded by such a wonderful locale.
