Tall Ship Sailing Adventure

Be on deck...

*Come on board and see South Australia's greatest sailing asset.
Walk the decks, be at the ship's helm, venture into the galley & the saloon.
This handcrafted ship will tell you the stories of yesteryear of how
sail transport & life on board was like.
The STV One & All is a living and working vessel
providing unique experiences for all.*

Here is the opportunity to join this 6 Day voyage to be part of the ship's 30th year of service to the community! This voyage will deliver you to the doorstep of the "Oyster Capital of Australia", Ceduna. We will set sail across the Gulf, navigating the local coastline, passing features such as Althorpe Island, Wedge Island, the foot of Eyre Peninsular and the many lighthouses that dot our coast.

As we sail the "locals" come out to play. The seals, dolphins and sea birds are never far away to watch and follow our moves. The wildlife take every opportunity to give us a show of their nimble moves above or below the waterline.

On this great adventure we can sail to the remote islands off the West Coast like St Francis or Pearson Islands. After the coastal hopping we arrive in time for the long weekend festival – The Ceduna Oysterfest!

On board you will see the workings of this great ship, and can join in the activities. No sailing experience is necessary as we will teach the "ropes". These voyages are designed for the adventurer at heart!

There are numerous opportunities to participate in different aspects of the sailing life. To keep the vessel sailing, each person joins a watch (teams). The Watch Leaders and crewmembers will guide with the following:

- Helming (steering) the vessel
- Setting the sails and adjusting them by hauling on ropes
- Standing watch (looking out for other ships)
- Climb the masts and bow nets
- Navigation and course setting

STV One & All is a true hands-on vessel. We invite all passengers to join in the experience of this remarkable ship. While we have plenty of crew to operate the ship, there is no expectation or pressure to do any of the above activities. Alternately, if activities are not your desire, sit back and relax as the water flows past and the birds soar high above the masts. Change your life forever by exploring our coast from the deck of our tall ship – STV One and All.

About the festival...

Held Annually at the peak of spring, The Ceduna Oysterfest on the October Long weekend, is held at an opportune time for visitors to experience the diversity, hospitality and natural beauty of this vast and unspoilt region.

Started from humble beginnings in 1991 by a small but dedicated committee spearheaded by local dentist Don Urquhart, the Oysterfest began as an avenue to promote our fledgling oyster industry and give back to a community suffering from economic downturn and drought. Over 2000 people turned out to enjoy the festival. Today it is a means to showcase our fine local seafood and Eyre Peninsula wines, and to celebrate our unique west coast culture.

The event is held on the picturesque Murat Bay foreshore over three days on the South Australian Labour Day long weekend each year and regularly attracts crowds of over 6,000 visitors to the festival.

Offering a broad range of cultural music, entertainment, fine seafood and wine, The Oysterfest is one of Eyre Peninsula's premier events. Highlights of the festival include the spectacular fireworks display over the bay, oyster shucking competition and more quirky events such as the stein holding and wheat bag sewing competitions. Visitors principally come to the event to indulge in the local oysters, a variety of locally caught seafood and the fine regional wines.
